**International Scientific Conference
«Delivering impact in higher education learning and
teaching: Enhancing cross-boarder collaborations»**

Yekaterinburg, April 06-09, 2021

Call for Papers

Dear Colleagues!

We invite you to participate in the International Scientific Conference «Delivering impact in higher education learning and teaching: “Enhancing cross-boarder collaborations”, which will take place on April 06-09, 2021 at the Ural State University of Economics in Yekaterinburg. The conference is run under the ERASMUS+ Capacity Building Project: “Enhancing Teaching Practice in Higher Education in Russia and China” (ENTEPE), and involves experts and teachers from universities of Europe, China and Russia. The conference can be joined by teachers, master's students, post- and undergraduate students, as well as government officials.

The aim of the conference is to build a discussion area where participants will be able to talk over different problems of the day – how to train staff that will be in demand around the job market, how to make universities in line with the global aim of providing highly professional graduates of the future.

The conference intends to discuss the following scientific matters:

- Russia and Bologna process: perspectives, problems, convergence process;
- China and Bologna process: perspectives, problems, convergence process;
- ways to adopt European experience of providing higher education in Russia and China (ENTEPE Project realisation);
- providing high-quality higher education in Europe, Russia and China: problems and solutions.

The reviews and analytical reports will be given at the general session, shorter pieces – during panel sessions and separate workshops. The reports applied to the conference must contain the results of the research that is in agreement with the field of ENTEPE Project and the topics discussed at the conference. Each presentation should take 10-15 minutes.

The conference will result in Proceedings of the Conference that will be indexed in Russian Science Citation Index (RSCI).

The participants may take part in the conference by giving their reports in public, register as a member of audience, or send their report online for publication.

Please, send your application forms to Kamal Guseinly gus@usue.ru.

The deadline is 20 December 2020.

Application form
**for the International Scientific Conference «Challenges in Higher Education:
converging three higher education systems (Europe, Russia, China)».**
April 06-09, 2021

Please, note: the following form is to be filled in accordance with the requirements of Russian Science Citation Index.

Full name (in Russian)	
Full name (in English)	
Title for the article (in Russian)	
Title for the article (in English)	
Abstract (in Russian): 100 - 250 words, including purpose and objectives of research, its methods and results.	
Abstract (in English)	
Name of a grant project or a programme supporting the article publication
