The conference will be held in the form of plenary reports and work in sections.

Section 1: Theory and Practice of Ensuring Countries', Regions', and Integration Associations' Economic Security

Section 2: Global Trends in Economic Interaction

Conference proceedings will be published as an e-book, which will be placed in the Electronic Library (www.elibrary.ru) and will be sent to indexing at RSCI database (Russian science citation index). All conference speakers will be issued an electronic certificate of participation in the conference.

WORKING LANGUAGES OF THE CONFERENCE

Papers and reports in *Russian, English* and *Spanish* are accepted.

APPLYING FOR PARTICIPATION

Applications forms and papers should be submitted **by October 01, 2020** to the following e-mail address: kft@usue.ru (marked "*Conference2020*").

PAPER REQUIREMENTS

Papers must strictly correspond to the subject of the conference and its sections. Mandatory elements of the paper are: title, abstract (4-6 lines), keywords (4-8 words), text of the Paper (from 6 to 8 full A4 pages), list of references. The paper should be submitted as a file in *.doc format, Times New Roman font, size 14, line spacing 1.5. All margins are 20 mm. The initials and surname of the author (s) should be printed in the upper-right corner. Enter the full name of the University (organization) after a single interval. Enter the city and country in a single interval. The title of the paper is indicated in capital letters in the middle of the line, followed by an abstract, a list of keywords, and then the text of the paper and the list of references are separated by a space. The text is aligned to the width without hyphenation. All charts and tables must be inserted into the text. Paragraph indent-1.25. A maximum of 2 charts and tables are allowed to be inserted into the text. The leaf orientation is bookish. Footnotes to the text are indicated in square brackets with the number of the source in the list of references. All sources listed in the list of references should be referenced in the text of the paper.

REFERENCES REQUIREMENTS

The list of references is drawn up in accordance with ISO-690. Sources in the list are arranged in alphabetical order. The list of references should include mainly monographs, scientific Papers in journals included in international citation systems. Legal documents and statistical materials are not included in the list of sources. If the papers do not meet the above requirements, they will not be accepted for publication. Papers are accepted for publication after expert review.
